

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Cold formed electric welded structural hollow sections according to EN 10219-1:2006

produced by or for

**SSAB Europe Oy
Hämeenlinna Tubeworks**

Harvialantie 420, 13300 HÄMEENLINNA, FINLAND

and produced in the manufacturing plant(s) Hämeenlinna, Finland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 10219-1:2006

under system 2+ are applied and that
the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on **2012-02-10** and will remain valid as long the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

Inspecta Sertifiointi Oy, notified body No 0416, has issued the certificate on 2014-10-21

Tomi Kasurinen, Managing Director
